## 1,000,000 GIVEN AWAY.

By a special and particular arrangement with the manufacturers of Dr. David Kennedy's Favorite Remedy, free trial bottles of this great medicine for the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Constipation will be sent absolutely free, postpaid, to all persons suffering from any of the diseases mentioned above who will send their full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., providing they mention this paper when they write.

A very simple test to determine whether your Kidneys or Bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy,ropy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as a pain in the back, inability to hold urine, a burning scalding pain in passing it. Frequent desire to urinate especially at night, the staining of linen by your urine and all unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

By a searching investigation it was found that over 91 per cent of the people who sent for a sample bottle were so much benefited by its use that they purchased a large sized bottle of their druggist, which in most cases cured them, while in some rare instances it took as many as two or even three bottles to effect a permanent cure.

Dr. David Kennedy's Favorite Remedy is sold by all druggists at \$1.00 per large bottle, or six bottles for \$5.00.

The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for 20 years. Respectfully, Mrs. Mary A. Beard, Claremont, Ark.
